

# Easy Hairstyles Everyday .com

## Wedding hair checklist

### **8 months before your wedding.**

- Start your research on hairdressers and make-up artists -
- Check out referrals recommendations of past customers.
- Begin your collection of suitable and unsuitable hairstyles

### **6 months before your wedding.**

- Book your chosen Hairdresser and Make-up artist

### **3 months before your wedding.**

- Book a care program with your hairdresser and beautician
- Choose your veil and any hair accessories
- Book your wedding practice/trial for a months time.

### **6-8 weeks before your wedding.**

- Have your Hair and make-up practice.
- Finalize charges with hair and makeup artists

### **1-2 weeks before your wedding.**

- Final haircuts and treatments before wedding.
- Final facials and beauty treatments

### **The week of your wedding.**

- Hair color early in the week.
- Waxing

### **The day before your wedding.**

- Spray tans
- Nails
- Pedicure
- Massage in the afternoon/evening
- A good night's sleep

Make sure all your wedding party are ready for the hairdresser and make-up artist on the wedding day. Clothing should be such that un-button in the front so the hair will not be disturbed when dressing later in the day. Cool and comfortable clothing recommended.
